Abuse of any kind is often
a delicate and frightening
issue for callers to discuss.

- Listen to their comments with respect, patience and compassion but do not attempt to answer questions. Refer all callers to any of the phone numbers on this flyer.
- If possible, note the caller's name and phone number so that a follow-up call can be made to ensure they have made contact with the appropriate persons. Forward contact information to Safe Environment Coordinator at the Diocese of Sioux City.
